The Veterinary Assistant Surgeons shall provide all technical guidance for the maintenance of the health of the poults.

K. Recovery and cancellation of subsidy.— (1) The beneficiary shall submit an undertaking that he/she will continue to run the unit and that he / she shall not sell away the stock.

(2) If it is proved/found subsequently that the beneficiary has violated the conditions is a defaulter and that he has misused the subsidy, the subsidy granted to him will be recovered by the Government apart from taking penal action as per law against him/her.

L. Impact assessment.— (1) Six months after setting up of the turkey units, Veterinary Assistant Surgeon of the jurisdiction should verify the beneficiaries and report to the Member-Secretary about the progress of the schemes. The report should contain the growth rate of turkey poults mortality, profit / loss earned by the beneficiaries and the continuity of the scheme in respect of arrangement for next batch.

(2) The Joint Director in charge of the scheme should verify at least 30% of the beneficiary after 9 months and submit a report to the Director regarding the success rate of the turkey farm and opinion for continuity of assistance for the next year.

M. Social audit.— (1) Enumeration of the benefit of the scheme will be done by the students of schools (9th and 11th NSS students) and NGOs who shall prepare an enumeration report on the implementation of the scheme in every institution in which the scheme

is implemented. A six member standing committee headed by the Joint Director of the Scheme, the Veterinary Assistant Surgeon of the concerned commune as Member-Secretary and 4 elected members of concerned Village Panchayat as Members shall be constituted. The said standing committee shall assess the enumeration report prepared by the students and NGOs and conduct social audit of the same, based on which continuance of the scheme in future years shall be decided. The department may allocate and spend 3-5% of the total expenditure on the aspect of social audit.

(2) The committee constituted must convene a meeting after 10 months and discuss about the performance of the scheme in terms of meat production and benefits earned by the beneficiaries.

(3) A report furnishing the merits and demerits of the scheme is to be submitted to the Director. The committee should state in the report whether to continue the scheme as such or should suggest the modification, changes needed and corrective measures to be taken up for implementation.

N. Interpretation and clarification.— In the implementation of the scheme, if any doubt arises with regard to the interpretation of any of the provisions of the scheme or if any point requires clarifications, the matter shall be referred to the Director of Animal Husbandry and Animal Welfare, Puducherry and the decision of the Director thereon shall be final.
